

Wine Program

We serve *real* wines ... our wine list is designed to complement the adventurous flavors from our kitchen, so we've instilled a sense of adventure into the selections. All wines on this ever-changing list were carefully chosen based on their region, quality, and most importantly ... taste. Don't know the difference between Merlot and Mourvedre? Don't worry. Our friendly, knowledgeable staff will help guide you through a memorable wine and dining experience. One hint as you navigate the list, the wines are categorized by different flavor profiles (fruity, light-bodied, full-bodied, etc.) in a progressive order from the lighter styles at the top of the page to the more full-bodied, 'bigger' wines towards the bottom. Can't decide which wine to pick? Choose a wine tasting trio below and sample 3 half-glasses of wines to compare & contrast together. **Savor the flavor!**
